Fall Planting Edition 1931

WEBER'S QUALITY TREES and PLANTS

SEE SPECIAL
DISCOUNT
LAST PAGE

*Fall is the planting season ideal.
Weather conditions are most
favorable; soil can be handled,
and there is more time to
plant properly. Ask us about it.*

H. J. WEBER & SONS NURSERY COMPANY

*Gravois and Weber Roads
Affton, Mo.*

Telephone Riverside 0897

TERMS OF SALE—*Please Read Carefully*

TERMS AND PRICES.—Upon delivery of stock in good condition the terms are cash and C. O. D. orders are sent where conditions warrant. All C. O. D. orders by freight or express must be accompanied by one-half cash. All prices are made to include free packing and are subject to stock being unsold upon receipt of order.

If shipped by express, you pay the balance to your express agent upon delivery of goods. If by freight, you pay the balance at your bank, where you will find the bill of lading, which you present to the freight agent, who will deliver shipment to you. Always give us name of bank you wish us to send bill to. We deliver free of extra charge to any freight depot, express office, or boat landing in St. Louis, Mo.

Four plants of a variety will be sold at ten rate, thirty at the 100 rate. Less than four plants of a variety at the single price.

REMIT BY POSTOFFICE OR EXPRESS MONEY ORDER ON ST. LOUIS, MO., REGISTERED MAIL TO AFFTON, MO., OR BY DRAFT. Do not send private checks unless drawn on some St. Louis Bank. Address all correspondence to **H. J. Weber & Sons Nursery Company, Affton, Mo.**

SHIPPING.—Our facilities for packing and shipping are the best and we pack in bales or boxes in best possible manner to insure safe arrival. If no route is given, we use our judgment and ship over most direct route. All stock travels at purchaser's risk.

PARCEL POST shipments are packed to travel long distance without least damage to contents. Postage to be paid by consignee.

NON-WARRANTY CLAUSE—If Nursery Stock proves untrue to the name under which it is sold by us, a replacement of the stock, as originally ordered, without charge, or a refund of the purchase price shall be a complete satisfaction of our liability. Except for such liability we give no undertaking or warranty, express or implied, as to description, quality, growth, productiveness, or any other matter of any Nursery Stock we sell.

We assume no liability for delays in delivery or for non-delivery of Nursery Stock caused by frost, fire, flood, drought, hail, strikes, embargoes, war, or other causes beyond our control.

We recommend Fall planting of Hardy Phlox, Japan-Oriental and German Iris, Oriental Poppy, Delphiniums, Paeonias Lillium Candidum, Sedum in assortment, Statice Latifolia, Bleeding Heart, and Lily of the Valley during the month of September.

Most varieties of Evergreens may safely be transplanted during September and October, providing there is sufficient moisture in the soil. All kinds of Fruit trees, Grape Vines and Blackberries may also be set during October and November.

Fall planting has some advantage over Spring planting in as much as the newly set shrubs and trees become established in the soil before winter sets in, thus insuring an earlier growth in spring, consequently a great many shrubs will bloom the first year and withstand the dry weather during the hot summer months.

Ornamental trees, shrubs, climbing Roses and Vines may be successfully transplanted in the Fall, after we have had sufficient frost to check growth and defoliate the plants.

We will gladly advise upon request, which plants are not suitable for Fall planting.

You are kindly invited to visit our Nurseries and inspect the stock at which time we will also advise when, how and where to plant. We are conveniently located on Gravois and Weber roads, just a short ride from any part of the city; your visit should be both pleasant and profitable.

If it is not convenient for you to call we will be pleased to send our representative to talk these matters over with you. We welcome the opportunity to assist you at any time. "That is part of our Business."

ERRORS.—Any errors that may occur in filling orders must be reported within five days after receipt of goods. We will immediately correct same. Complaints entered after the above-stated time will not be entertained.

INSPECTION.—Our nurseries are annually inspected by the State Entomologist and have been found free of San Joe Scale and other dangerous insects and diseases. A copy of certificate of inspection will be attached to every package that leaves our establishment.

SUBSTITUTION.—It is customary, should the supply of a variety become exhausted (as will occasionally occur in all establishments), to substitute in its place a similar sort if there is such. Should it be desired for us not to do this, please state on your order "No substitution." Persons not acquainted with the different varieties can leave the selection to us, in which case we will select as if planting for ourselves.

LIBERAL REPLACEMENT OFFER is made because of our confidence in the vitality of our plants. There are good reasons why plants may sometimes fail to grow well after transplanting. Poor soil, careless or improper planting and after culture, excessive drought and neglect, are some of the chief factors of your loss. After delivering plants in good order, it is obvious that we have no control whatever of these future conditions. We agree to resupply f.o.b. our nurseries at one-half the original purchase price, any nursery stock purchased at catalog rates that may fail to grow by July 1 following season planted from causes other than neglect or abuse. **This offer applies only to accounts that are promptly paid when due.**

LANDSCAPING.—Our business is the growing and supplying of trees and plants of all kinds described in our catalogue for Landscape work.

Artistically planted home grounds are not the result of chance. They come from careful planning, and proper selection of varieties. Thousands of dollars are spent each year for nursery stock which is practically wasted because people do not know what to plant and where to plant it. In order to have something of enduring value, artistic and satisfying, to show for the money you spend on your grounds, you should have some set plan to follow. The beauty of a planting often depends less upon the plants used than it does upon their proper disposition, grouping and arrangement.

Your property will not have reached its full development until you have beautified it thoughtfully with trees and shrubs. Are you aware that you can increase its money value 25 per cent to 100 per cent with a very small investment? The same sun and rain that wears and deteriorates the value of your house is the natural friend of the landscaped grounds, and it increases wonderfully in beauty year after year. If you will consult us, we will endeavor to assist you by advising the proper plants to use and amount you would require.

H. J. WEBER & SONS NURSERY CO.

We extend a cordial invitation to visit our Nurseries. Our offices will be closed Sunday excepting during September, October and November, also March, April and May, when we will have open Sunday mornings from 8 to 11:30.

Deciduous Ornamental Trees

ACER—Maple

A. negundo (Ash Leaved Maple or Box Elder). M.	Each	Per 10	
8 to 10 feet	\$1.40	\$12.50	
A. platanoides (Norway Maple). T.	Each	Per 10	
1¼ to 1½ inch, 8 to 10 feet.....	\$4.50	\$42.00	
1½ to 1¾ inch, 10 to 12 feet.....	6.50	62.00	
1¾ to 2 inch, 12 feet.....	8.50	82.00	
A. platanoides var. Schwedleri (Purple Norway Maple). M.	Each	Per 10	
6 to 7 feet.....	\$5.50	\$52.00	
A. polymorphum atropurpureum (Purple Leaved Japan Maple). D.	Each	Per 10	
2 to 3 feet.....	\$9.00	\$85.00	
30 to 36 inches.....	12.50	115.00	
36 to 42 inches.....	15.00	140.00	
A. saccharinum (Silver Leaved Maple). T.	Each	Per 10	Per 100
6 to 8 feet.....	\$0.75	\$ 6.00	\$ 50.00
1 to 1¼ inch, 8 to 10 feet.....	1.00	8.50	70.00
1¼ to 1½ inch, 8 to 10 feet.....	1.50	13.00	110.00
1½ to 1¾ inch, 10 to 12 feet.....	2.00	18.00	160.00
1¾ to 2 inch, 12 to 14 feet.....	2.75	24.00
2 to 2½ inch.....	3.75	34.00

The Silver or Soft Maple is the quickest and largest growing of the maples, and is used for street planting.

Note:—In order to keep your trees healthy, we advise washing the trunks with Fish Oil Soap each month, from June to September, in order to destroy the eggs of the "Flat Head Borer" which is destroying a great many beautiful trees annually. Ask us about it.

A. saccharinum var. Wierii (Wier's Cut-leaved Silver Maple). T.	Each	Per 10	
8 to 10 feet, 1¼ to 1½ inch.....	\$2.75	\$24.00	
10 to 12 feet, 1½ to 1¾ inch.....	3.75	34.00	
A. saccharum (Sugar Maple). T.	Each	Per 10	
8 to 10 feet, 1 to 1¼ inch.....	\$3.50	\$32.00	
8 to 10 feet, 1¼ to 1½ inch.....	4.25	39.00	
10 to 12 feet, 1½ to 1¾ inch.....	5.25	48.00	

AESCULUS—Chestnut

A. hippocastanum (Horse). T.	Each	Per 10	
6 to 8 feet.....	\$3.00	\$27.50	
8 to 10 feet.....	4.75	44.00	

AILANTHUS—Tree of Heaven

A. altissima (Glandulosa). T.	Each	Per 10	
6 to 8 feet.....	\$1.50	\$12.50	
8 to 10 feet.....	2.00	17.50	

AMELANCHIER—Juneberry or Shadblow

A. canadensis (Service Tree or Shadblow). M.	Each	Per 10	
2 to 3 feet.....	\$.95	\$ 8.00	
3 to 4 feet.....	1.30	10.50	

AMYGDALUS—Almond, Peach and Plum

Amygdalus (Almond Double-flowering). See Deciduous Shrubs.			
A. persica alba (Double White Flowering Peach). S.	Each	Per 10	
4 to 5 feet.....	\$1.35	\$12.00	
5 to 6 feet.....	1.50	13.50	
A. persica rubra (Double Red-flowering Peach). S.	Each	Per 10	
4 to 5 feet.....	\$1.35	\$12.00	
5 to 6 feet.....	1.50	13.50	
A. persica vulgaris flore rosea plena (Double Pink-flowering Peach). S.	Each	Per 10	
4 to 5 feet.....	\$1.35	\$12.00	
5 to 6 feet.....	1.50	13.50	
A. triloba (Double-flowering Plum). D. Double rosy flowers.	Each	Per 10	
3 to 4 feet.....	\$1.25	\$10.00	
4 to 5 feet.....	1.40	12.00	

ARALIA—Angelica Tree

A. spinosa (Hercules Club). S.	Each	Per 10	
4 to 5 feet.....	\$1.45	\$12.50	
5 to 6 feet.....	1.70	15.00	
6 to 8 feet.....	2.20	20.00	
A. pentaphylla . See Acanthopanax, Deciduous Shrubs.			

BETULA—Birch

We advise Spring Planting.

<i>B. alba</i> (European White Birch). T.	Each	Per 10
6 to 8 feet.....	\$2.25	\$20.00
8 to 10 feet.....	2.75	25.00
<i>B. alba laciniata pendula</i> (Weeping Cut-leaved Birch). See Weeping Trees.		

CARAGANA—Pea Tree

<i>C. arborescens</i> . D.	Each	Per 10
3 to 4 feet.....	\$.75	\$6.50

CATALPA—Indian Bean

<i>C. bignonioides nana</i> (Chinese Catalpa Bungei). D.	Each	Per 10	Per 100
2-year heads, standard.....	\$1.60	\$14.00	\$120.00
1-year heads, standard.....	1.35	12.00	100.00
<i>C. speciosa</i> (Western). T.	Each	Per 10	Per 100
8 to 10 feet.....	\$1.25	\$10.00
8 to 10 feet—1¼ to 1½ inch diameter.....	1.50	13.00
10 to 12 feet—1½ to 1¾ inch diameter.....	1.90	16.00	\$130.00

CELTIS—Hackberry or Nettle Tree

<i>C. occidentalis</i> . M.	Each	Per 10
6 to 8 feet.....	\$2.35	\$21.00

CERCIS—Red Bud

<i>C. canadensis</i> (American Judas). M.	Each	Per 10
3 to 4 feet.....	\$1.20	\$10.00
4 to 5 feet.....	1.50	12.50
6 to 8 feet.....	2.50	22.00
<i>C. japonica</i> (Japan Judas). D.	Each	Per 10
18 to 24 inch.....	\$1.25	\$10.00

CHIONANTHUS—White Fringe

<i>C. virginica</i> . S.	Each	Per 10
2 to 3 feet.....	\$1.75	\$15.00
3 to 4 feet.....	2.50	22.50

CORNUS—Dogwood

<i>C. florida alba</i> (White Flowering). M.	Each	Per 10
2 to 3 feet.....	\$1.50	\$12.50
3 to 4 feet, B. & B.....	2.00	17.50
4 to 5 feet, B. & B.....	2.75	25.00
5 to 6 feet.....	3.50	32.00
<i>C. florida rubra</i> (Red Flowering). M.	Each	Per 10
2 to 3 feet.....	\$3.00	\$27.50
3 to 4 feet, B. & B.....	6.00	55.00
4 to 5 feet, B. & B.....	8.50	80.00
5 to 6 feet, B. & B.....	12.50

CRATAEGUS—Thorn

<i>C. coccinea</i> (Scarlet-fruited Thorn). M.	Each	Per 10
3 to 4 feet.....	\$2.50	\$22.50
<i>C. cordata</i> (Washington Thorn). M.	Each	Per 10
3 to 4 feet.....	\$2.50	\$22.50
<i>C. crus-galli</i> (Cockspur Thorn). S.	Each	Per 10
3 to 4 feet.....	\$2.50	\$22.50
<i>C. oxyantha</i> var. <i>Paulii</i> (Paul's Double Scarlet Thorn).	Each	Per 10
4 to 5 feet.....	\$2.75	\$25.00
5 to 6 feet.....	3.00	27.50

CYTISUS—Golden Chain

<i>C. laburnum</i> . M.	Each	Per 10
3 to 4 feet.....	\$1.50	\$13.00

FRAXINUS—Ash

<i>F. americana</i> (American White). M.	Each	Per 10
8 to 10 feet, 1¼ to 1½ inches.....	\$2.00	\$17.50
10 to 12 feet, 1½ to 1¾ inches.....	3.00	27.50
For Mountain and Oak-Leaved Ash see Sorbus—Deciduous Trees.		

GINKGO—Salisburia (Maiden Hair Tree)

<i>G. biloba</i> . T.	Each	Per 10
6 to 8 feet, ¾ to 1 inch.....	\$2.50	\$22.50
8 to 10 feet, 1 to 1¼ inches.....	3.00	27.50
8 to 10 feet, 1¼ to 1½ inches.....	3.75	35.00
10 to 12 feet, 1½ to 1¾ inches.....	4.25	40.00

GLEDITSIA—Honey Locust

<i>G. inermis</i> (Thornless Locust).	Each	Per 10
6 to 8 feet.....	\$1.50	\$12.50
8 to 10 feet.....	2.00	17.50
<i>G. triacanthus</i> , M.	Each	Per 10
8 to 10 feet.....	\$1.75	\$15.00

GYMNOCLADUS—Kentucky Coffee Tree

<i>G. dioica</i> (Canadensis). M.	Each	Per 10
6 to 8 feet.....	\$3.00	\$27.50

HALESIA—Silver Bell

<i>H. tetraptera</i> (Carolina). S. The hardiest species. Very choice.	Each	Per 10
2 to 3 feet.....	\$1.25	\$10.00
3 to 4 feet.....	1.50	12.50
4 to 5 feet.....	1.85	16.50

KOELREUTERIA—Varnish Tree

<i>K. paniculata</i> ... M.	Each	Per 10
5 to 6 feet.....	\$1.95	\$17.00
6 to 8 feet.....	2.50	22.50

LARIX—Larch

<i>L. Europaeus</i> (European). T.	Each	Per 10
3 to 4 feet, B. & B.....	\$3.00	\$27.50
4 to 5 feet B. & B.....	4.00	37.50

LIQUIDAMBER—Sweet Gum

<i>L. styraciflua</i> . T.	Each	Per 10	Per 100
4 to 5 feet, B. & B.....	\$4.75	\$44.00	\$400.00
5 to 6 feet, B. & B.....	6.00	55.00	500.00
6 to 8 feet, B. & B.....	7.50	72.00	675.00
8 to 10 feet, B. & B.....	9.00	85.00	800.00
10 to 12 feet, B. & B.....	15.00	130.00
B. & B. denotes Balled and Burlapped. Only way to transplant safely.			

LIRIODENDRON—Tulip Tree

<i>L. tulipifera</i> . T.	Each	Per 10
5 to 6 feet.....	\$1.30	\$12.00
6 to 8 feet.....	1.90	16.00
If dug with ball an additional charge will be made according to size of tree.		

MAGNOLIA

<i>M. glauca</i> (Sweet Bay or Swamp Magnolia). S. Sweetly scented white flowers in June.	Each	Per 10
2 to 3 feet, B. & B.....	\$4.00	\$37.50
3 to 4 feet, B. & B.....	5.50	52.50
4 to 5 feet, B. & B.....	7.50	70.00

MAGNOLIA—Chinese Species

<i>M. Alba Superba</i> . D. Large White.		
<i>M. Lennei</i> (Lenne's Hybrid). S. Deep rose color.		
<i>M. Soulangeana</i> (Soulange's Magnolia). S. Large cup-shaped, white and rosy-violet flowers.	Each	Per 10
2 to 3 feet, B. & B.....	\$9.00	\$80.00
3 to 4 feet, B. & B.....	14.00	130.00
4 to 5 feet, B. & B.....	19.00	180.00

We have a limited supply for Spring and would advise ordering while the stock is complete.

<i>M. Stellata</i> (Syn. Halleana). S. A pretty dwarf, semi-double white, fragrant. Very rare.	Each	
24 to 30 inch, B. & B.....	\$10.00	

MALUS—Crab

M. atrosanguinea. S.	Each	Per 10	
4 to 5 feet.....	\$1.50	\$12.50	
M. coronarius. S.	Each	Per 10	
3 to 4 feet.....	\$1.20	\$10.00	
4 to 5 feet.....	1.50	12.50	
M. floribunda (Single-Flowering Crab). S.	Each	Per 10	
4 to 5 feet.....	\$1.50	\$12.50	
M. ioensis flora plena (Bechtel's Double-Flowering Crab). S.	Each	Per 10	Per 100
3 to 4 feet.....	\$1.20	\$10.00	\$ 90.00
4 to 5 feet.....	1.60	13.50	125.00
5 to 6 feet.....	2.00	17.50	160.00
M. parkmannii (Parkman's Crab). S.	Each	Per 10	
3 to 4 feet.....	\$1.75	\$15.00	

PAULOWNIA—Empress Tree

<i>P. Imperialis.</i> S.	Each	Per 10
6 to 8 feet.....	\$2.75	\$25.00

PERSICA—Peach, Purple Leaf.

<i>P. atropurpurea.</i>	Each	Per 10
4 to 5 feet.....	\$.60	\$5.50

PLATANUS—Sycamore or Plane

<i>P. occidentalis</i> (American Plane). T.	Each	Per 10	Per 100
6 to 8 feet.....	\$1.50	\$13.00	\$100.00
8 to 10 feet.....	1.75	15.00	125.00
1 1/4 to 1 1/2 inch.....	2.50	22.50	200.00
1 1/2 to 1 3/4 inch.....	3.00	27.50	250.00
1 3/4 to 2 inch.....	3.50	32.50	
<i>P. orientalis</i> (European Plane). T.	Each	Per 10	Per 100
6 to 8 feet.....	\$1.75	\$15.00	\$125.00
8 to 10 feet.....	2.00	17.50	150.00
1 1/4 to 1 1/2 inch diameter.....	2.75	25.00	225.00
1 1/2 to 1 3/4 inch diameter.....	3.90	35.00	300.00
1 3/4 to 2 inch diameter.....	5.00	45.00	400.00
2 to 2 1/2 inch diameter.....	6.00	55.00	500.00

The Sycamore is the hardest street tree for city planting. Will withstand the smoke and abuse of city conditions.

Note:—In order to keep your trees healthy, we advise washing the trunks with Fish Oil Soap each month, from June to September in order to destroy the eggs of the "Flat Head Borer" which is destroying a great many beautiful trees annually. Ask us about it.

POPULUS—Poplar

<i>P. alba pyramidalis</i> (Bolleana) (Silver). M.	Each	Per 10	Per 100
6 to 8 feet.....	\$1.50	\$12.50	\$100.00
8 to 10 feet.....	1.90	16.00	140.00
<i>P. deltoides monolifera</i> (Carolina Poplar). M.	Each	Per 10	Per 100
6 to 8 feet, 1 to 1 1/4 inch.....	\$.65	\$ 5.00	\$ 40.00
8 to 10 feet, 1 1/4 to 1 1/2 inch.....	.90	8.00	70.00
10 to 12 feet, 1 1/2 to 1 3/4 inch.....	1.75	15.00	130.00
10 to 12 feet, 1 3/4 to 2 inch.....	2.25	20.00	180.00
12 to 14 feet, 2 to 2 1/2 inch.....	2.75	25.00	
<i>P. nigra italica</i> (Lombardy Poplar). T.	Each	Per 10	Per 100
6 to 8 feet.....	\$.75	\$ 6.50	\$ 55.00
8 to 10 feet, 1 to 1 1/4 inch.....	.95	8.50	75.00
10 to 12 feet, 1 1/4 to 1 1/2 inch.....	1.10	9.50	85.00
10 to 12 feet, 1 1/2 to 1 3/4 inch.....	1.75	15.00	125.00
12 to 14 feet, 1 3/4 to 2 inch.....	2.25	20.00	180.00
15 feet and up, 2 to 2 1/2 inch.....	3.00	25.00	225.00
16 feet, 2 1/2 to 3 inch.....	4.00	35.00	300.00

We recommend Spring planting of this variety, owing to the danger of damage during a severe Winter. If planting in fall must be done, we advise waiting until all leaves have been taken off by heavy frost. We cannot guarantee Lombardy Poplar when planted at any other time.

PRUNUS—Plum, Cherry

Comprises the genus *Cerasus* (Cherry) and *Prunus* (Plum). These contain many beautiful flowering and bright foliaged varieties.

These contain many beautiful flowering and bright foliaged varieties.			
P. avium alba plena (Double-Flowering Cherry) (<i>Cerasus</i>). M.			
4 to 5 feet.		Each	\$3.00
P. cerasifera pissardii (Purple-Leaved Plum). S.			
3 to 4 feet	Each	Per 10	Per 100
4 to 5 feet	\$.90	\$8.00	\$70.00
5 to 6 feet	1.00	9.00	80.00
P. newport (Purple-Leaved Plum)	Each	Per 10	Per 100
4 to 5 feet	1.00	9.00	80.00
P. othello (Purple-Leaf Plum). .			
3 to 4 feet	Each	Per 10	Per 100
4 to 5 feet	\$.90	\$8.00	\$70.00
5 to 6 feet	1.00	9.00	80.00
P. triloba. See <i>Amygdalus</i> under this department.	1.30	11.50	100.00

PTELIA Hop Tree

<i>P. trifoliata.</i>	Each	Per 10
4 to 5 feet.....	\$1.25	\$10.00

QUERCUS—Oak

NOVEMBER OR EARLY SPRING
PLANTING ADVISED

<i>Q. palustris</i> (Pin Oak). M.	Each	Per 10
6 to 8 feet.....	\$4.50	\$42.50
8 to 10 feet.....	5.75	55.00
1 1/2 to 1 3/4 inch diameter.....	8.50	80.00
1 3/4 to 2 inch diameter.....	9.50	90.00
2 to 2 1/2 inch diameter.....	12.50	110.00
2 1/2 to 3 inch diameter.....	15.00	140.00
<i>Q. rubra</i> (Red Oak). T.	Each	Per 10
6 to 8 feet.....	\$4.50	\$42.50
1 1/2 to 1 3/4 inch diameter.....	7.50	70.00

SALIX—Willow

All Willows should be pruned annually for best results.

S. caprea (Goat Willow). S.	Each	Per 10
2 to 3 feet.....	\$.45	\$3.50
3 to 4 feet.....	.60	5.50
S. pentandra (Laurel Willow).	Each	Per 10
4 to 5 feet.....	\$.50	\$4.50
S. Regalis (Silver Willow). M.	Each	Per 10
4 to 5 feet.....	\$1.20	\$10.00
S. vitellina aurea (Golden Willow). M.	Each	Per 10
5 to 6 feet.....	\$.75	\$6.50

For the Weeping Forms of Salix (Willow)—See Weeping Trees.

SORBUS—Mountain Ash

S. aucuparia . M.	Each	Per 10
6 to 8 feet.....	\$1.40	\$11.00
8 to 10 feet.....	1.75	15.00
1 ¼ to 1 ½ inches.....	2.50	22.50
S. quercifolia (Oak-Leaved Mountain Ash). M.	Each	Per 10
6 to 8 feet.....	\$2.50	\$22.50

TAXODIUM—Cypress

T. Distichum (Deciduous). T.	Each	Per 10
4 to 5 feet, B. & B.....	\$5.00	\$45.00

TILIA—Linden

T. americana (American). T.	Each	Per 10
8 to 10 feet, 1 ¼ to 1 ½ inches.....	\$4.00	\$35.00
1 ½ to 1 ¾ inches.....	5.00	45.00
T. Vulgaris (European). M.	Each	Per 10
8 to 10 feet.....	\$5.25	\$50.00
1 ½ to 1 ¾ inches.....	7.50	70.00

ULMUS—Elm

U. americana (American). T.	Each	Per 10	Per 100
8 to 10 feet 1 ¼ to 1 ½ inches diameter.....	\$2.40	\$20.00	\$175.00
10 to 12 feet, 1 ½ to 1 ¾ inches diameter.....	3.00	26.00	230.00
10 to 12 feet, 1 ¾ to 2 inches diameter.....	4.00	36.00	330.00
U. moline (Moline Elm)	Each	Per 10	Per 100
8 to 10 feet.....	\$2.25	\$20.00	\$175.00
1 ¼ inches.....	3.00	26.00	220.00
U. urni (Vase-Shaped Elm).	Each	Per 10	Per 100

1 ¼ inches.....	2.50	22.00	190.00
1 ½ inches.....	3.25	29.00	260.00

U. Pumila, Siberian or Asiatic Elm (New)

A very rapid, graceful-growing tree, leafing out very early and holding its dark green leaves late in the fall. Its extremely hardy and drought-resistant nature makes it a valuable addition to our list.

	Each	Per 10	
6 to 8 feet.....	\$2.00	\$17.50	\$160.00
8 to 10 feet.....	3.00	27.50	240.00
1 ¼ to 1 ½ inches.....	4.00	37.50	340.00
1 ½ to 1 ¾ inches.....	5.00	47.50	440.00
1 ¾ to 2 inches.....	6.00	55.00	500.00
2 to 2 ½ inches.....	7.50	70.00	650.00

WEEPING DECIDUOUS TREES

ACER—Maple

A. saccharinum var. Wierii (Wier's Cut-Leaved Maple). See Deciduous Trees.

BETULA—Birch

EARLY SPRING
PLANTING ADVISED

B. alba lacinifata pendula (Cut-Leaved Weeping Birch). T.	Each	Per 10
5 to 6 feet.....	\$2.00	\$17.50
6 to 8 feet.....	2.90	26.00
8 to 10 feet.....	4.00	37.00

MORUS—Mulberry

M. alba pendula (Weeping Mulberry). S.	Each	Per 10
2-year-heads.....	\$2.85	\$25.00
3-year-heads.....	3.50	30.00

SALIX—Willow—(Weeping)

S. babylonica (Babylonian Weeping Willow). M.	Each	Per 10
6 to 8 feet.....	\$1.50	\$12.50
8 to 10 feet.....	1.75	15.00
1¼ to 1½ inch.....	2.50	22.50
S. blanda (Wisconsin Weeping Willow). M.	Each	Per 10
6 to 8 feet.....	\$1.50	\$12.50
8 to 10 feet.....	1.75	15.00
1¼ to 1½ inch.....	2.50	22.50
S. elegantissima (ThurLOW's Weeping Willow). M.	Each	Per 10
6 to 8 feet.....	\$1.50	\$12.50
8 to 10 feet.....	1.75	15.00
1¼ to 1½ inch.....	2.50	22.50
S. niobe (Golden Weeping).	Each	Per 10
6 to 8 feet.....	\$1.50	\$12.50
8 to 10 feet.....	1.75	15.00
1¼ to 1½ inch.....	2.50	22.50

Deciduous Ornamental Shrubs

ABELIA

A. grandiflora. S. In the South this shrub is evergreen, but with us it sheds its leaves during the late winter. White flowers, tinged with pink. Should be given protection during winter in this climate.			
	Each	Per 10	
2 to 3 feet, B. & B.....	\$1.75	\$15.00	
3 to 4 feet. B. & B.....	2.50	22.50	

ACANTHOPANAX—Aralia

A. pentaphyllum. S. Foliage bright green, shiny. Flowers green in long umbels.	Each	Per 10	Per 100
2 to 3 feet.....	\$.60	\$5.00	\$45.00
3 to 4 feet.....	.70	6.00	55.00

AMORPHA—False Indigo

A. fruticosa. T. Slender spikes of deep purple flowers; blooms in June	Each	Per 10	Per 100
2 to 3 feet.....	\$.55	\$4.50	\$35.00
3 to 4 feet.....	.70	6.00	50.00

AMYGDALUS—Almond

A. nana rosea (Double Pink). S.	Each	Per 10	Per 100
1½ to 2 feet.....	\$.70	\$6.00	\$50.00
2 to 3 feet.....	.85	7.50	65.00
3 to 4 feet.....	1.00	9.00	80.00
A. nana alba (Double White). S.	Each	Per 10	Per 100
1½ to 2 feet.....	\$.70	\$6.00	\$50.00
2 to 3 feet.....	.85	7.50	65.00
3 to 4 feet.....	1.00	9.00	80.00

ARONIA—Chokeberry

A. arbutifolia. S. White flowers; red fruit	Each	Per 10	
2 to 3 feet.....	\$1.00	\$9.00	
3 to 4 feet.....	1.35	12.00	
A. melanocarpa (Nigra). Black fruit	Each	Per 10	
2 to 3 feet.....	\$.90	\$8.00	
3 to 4 feet.....	1.15	10.00	

BACCHARIS—Groundsel Tree

B. halimifolia. M. Fluffy white seed pods in autumn.	Each	Per 10
3 to 4 feet.....	\$1.20	\$10.00

BENZOIN—Spice Bush

B. aestivallis. Scarlet fruit.	Each	Per 10
2 to 3 feet.....	\$1.00	\$9.00

BERBERIS—Barberry

B. atropurpurea (New Red-Leaved Japanese Barberry). Plant in full sunlight.	Each	Per 10
12 to 15 inches.....	\$.70	\$6.00
15 to 18 inches.....	.90	8.00
18 to 24 inches.....	1.10	9.50
24 to 30 inches.....	1.40	12.50

B. ilicifolia (Holly-Leaved Barberry). S.	Each	Per 10	
24 to 30 inches, B. & B.	\$3.50	\$32.50	
30 to 36 inches, B. & B.	4.25	40.00	
B. thunbergii . D. From Japan. Valuable plant for hedging.				
	Each	Per 10	Per 100	Per 1000
12 to 15 inches.....	\$.20	\$1.50	\$12.00	\$110.00
15 to 18 inches.....	.25	2.00	17.00	150.00
18 to 24 inches.....	.30	2.50	20.00	180.00
24 to 30 inches.....	.40	3.50	32.00	280.00
30 to 36 inches.....	.65	5.50	45.00
B. thunbergii (Globe Shape).				
18 x 18 inches.....				\$2.00
B. thunbergii minor , dwarf (Box Barberry).		Each	Per 10	
12 to 15 inches.....		\$.50	\$4.50	
15 to 18 inches.....		.60	5.50	

BUDDLEIA—Butterfly Bush or Summer Lilac.

B. davidii magnifica . S. Long spikes of lilac-purple flowers in profusion. Tall-growing.		Each	Per 10	Per 100
2-year-old Plants		\$.35	\$3.25	\$28.00
B. farquhari . D. Rather dwarf, compact growth. Protect same as Everblooming Roses by hilling up ground 8 or 10 inches around crown.				
		Each	Per 10	
2-year-plants, No. 1.....		\$.45	\$4.00	

CALLICARPA—Chinese Beauty-Berry

C. purpurea . D. Lilac-violet fruit.		Each	Per 10	Per 100
18 to 24 inches.....		\$.55	\$4.50	\$35.00
24 to 30 inches.....		.75	6.00	50.00

CALYCANTHUS—Allspice or Sweet Shrub

C. floridus . M. Flowers of a brownish cast. Fragrant.		Each	Per 10	
18 to 24 inches.....		\$.80	\$7.00	
2 to 3 feet.....		.90	8.00	

CARYOPTERIS (Blue Beard)

C. incana (Mastacanthus) (Blue Spirea). D. Flowers rich lavender or sky-blue. Protect in winter same as Everblooming Roses.		Each	Per 10	Per 100
2-year		\$.50	\$4.50	\$40.00

CEANOTHUS—New Jersey Tea

C. Americanus . S. Small white flowers.		Each	Per 10	
15 to 18 inches.....		\$.80	\$7.00	

CEPHALANTHUS—Button Bush

C. occidentalis . S. Globular heads of white flowers in July.		Each	Per 10	Per 100
2 to 3 feet.....		\$.90	\$8.00	\$70.00

CLETHRA—Sweet Pepper Bush

C. alnifolia (Summer Sweet). S. Fragrant white flowers.		Each	Per 10	
18 to 24 inches.....		\$.85	\$7.50	
24 to 30 inches.....		1.00	9.00	

COLUTEA—Bladder Senna

C. arborescens (Tree Colutea). L. Flowers pea-shaped, yellow and brownish-red.		Each	Per 10	
2 to 3 feet.....		\$.65	\$5.50	
3 to 4 feet.....		.80	7.00	

CORNUS—Cornel or Dogwood

C. alba siberica (Siberian Red Dogwood). M. Flowers creamy-white. Deep crimson bark.		Each	Per 10	Per 100
18 to 24 inches.....		\$.35	\$2.50	\$20.00
2 to 3 feet.....		.40	3.00	25.00
3 to 4 feet.....		.50	4.00	35.00
C. alternifolia (Pagoda Dogwood). Flowers creamy-white. Fragrant.		Each	Per 10	
2 to 3 feet.....		\$.95	\$8.50	

C. amomum (Sericea) (Silky Dogwood). S. Flowers greenish-white. Black fruit in winter.			
2 to 3 feet.....	Each	Per 10	
3 to 4 feet.....	\$.55	\$4.50	
		.65	5.50
C. var. elegantissima variegata. D. Leaves broadly margined white.			
2 to 3 feet.....	Each	Per 10	
3 to 4 feet.....	\$.80	\$7.00	
		.95	8.50
C. mas. (Cornelian Cherry). M. Yellow flowers, deep scarlet fruit.			
18 to 24 inches.....	Each	Per 10	
2 to 3 feet.....	\$.95	\$8.50	
		1.40	13.00
C. paniculata (Gray Dogwood). Greenish-white flowers; white fruit.			
2 to 3 feet.....	Each	Per 10	
		\$.65	\$5.50
C. sanguinea (Blood Twig Dogwood). M. Greenish-white flowers; white fruit.			
2 to 3 feet.....	Each	Per 10	Per 100
3 to 4 feet.....	\$.55	\$4.50	\$35.00
		.70	6.00 50.00
C. Spaethii Aurea (Yellow Margined Red Osier). M. Leaves yellow margined.			
2 to 3 feet.....	Each	Per 10	
		\$.95	\$8.50
C. stolonifera (Wild Red Dogwood). M.			
2 to 3 feet.....	Each	Per 10	Per 100
3 to 4 feet.....	\$.45	\$3.50	\$30.00
		.60	5.00 40.00
C. stolonifera aurea (Golden Twig Dogwood). M.			
2 to 3 feet.....	Each	Per 10	Per 100
3 to 4 feet.....	\$.45	\$3.50	\$30.00
		.60	5.00 40.00

CORYLUS—Hazel or Filbert

C. americana (American Hazel). M. The common American Hazel.			
2 to 3 feet.....	Each	Per 10	Per 100
3 to 4 feet.....	\$.75	\$6.50	\$55.00
		1.00	9.00 85.00
C. avellana (English Hazel). M. English strain of bearing filberts.			
2 to 3 feet.....	Each	Per 10	
3 to 4 feet.....	\$.75	\$6.50	
		.95	8.50
C. purpurea (Purple Filbert). Purple leaves, suitable for shrubbery groups.			
2 to 3 feet.....	Each		
			\$4.00

COTONEASTER

Their brilliant autumn foliage and vivid fruits adapt them to rockery and wall adornment, as well as to any usage in well-drained soil with plenty of sunlight.

C. acutifolia. Small oval glossy, dark-green leaves.			
24 to 30 inches.....	Each	Per 10	
	\$.70	\$6.00	
C. horizontalis. S. Densely spreading.			
15 to 18 inches, B. & B.....	Each		
18 to 24 inches, B. & B.....			\$2.25
24 to 30 inches, B. & B.....			3.00
			4.00

CYDONIA—Japan Quince or Fire Bush

(SPRING PLANTING ONLY)

C. japonica. M. Brilliant crimson flowers.			
18 to 24 inches.....	Each	Per 10	Per 100
2 to 3 feet.....	\$.60	\$5.00	\$45.00
		.80	7.00 65.00

DESMODIUM (Lespedeza)

D. japonica alba. Same as penduliflorum, but has white flowers.			
2-year, No. 1.....	Each	Per 10	
		\$.65	\$6.00
D. penduliflorum. A low-growing shrub, rose colored flowers in September. Dies to the ground in winter.			
2-year plants.....	Each	Per 10	Per 100
3-year plants.....	\$.70	\$6.00	\$50.00
		.90	8.00 70.00

DEUTZIA

Prices, unless otherwise noted:

18 to 24 inches.....	Each	Per 10	Per 100
2 to 3 feet.....	\$.40	\$3.00	\$22.00
3 to 4 feet.....	.50	4.00	32.00
	.60	5.00	42.00

DEUTZIA—Cont'd

D. pride of rochester. M. Pink and white.			
D. rosea plena (Double Pink). M.			
D. scabra. M. Double white.			
D. scabra candidissima (Double White). M.			
D. scabra crenata. M. Single white.			
D. s. watereri. M.			
D. gracillis (Slender Deutzia) (Dwarf). D. Pure white.

3 to 4 feet.....	.65	5.50	50.00
H. anemoniflora . L. Semi-double, red with a very deep red base.			
H. ardens . L. Double violet.			
H. boule de feu . L. Very double, well formed light rose.			
H. coelestis alba . L. Single white with crimson eye.			
H. duchesse de brabant . L. Large, reddish-lilac flowers.			
H. jean d'arc . L. Flowers pure white, double.			
H. lady stanley . L. Very double, white with beautiful blush markings.			
H. lucy . L. Double, bright red.			
H. pulcherima . L. Double white, shaded to pink.			
H. paeoniaflora . L. Double, bright rose.			
H. rubus . L. Single red.			
H. snowdrift . Single white.			
H. souv. chas. breton . Single purple.			
H. totus alba . Single white.			
H. variagata fl. pl. M. Variegated leaves, flowers very double, seldom open.			
18 to 24 inches.....	\$.70	\$6.00	
2 to 3 feet.....	.80	7.00	
3 to 4 feet.....	.95	8.50	
We have a limited list of tree-shaped varieties which we have priced as follows:			
3 to 4 feet.....	\$.95	\$8.50	\$75.00
4 to 5 feet.....	1.20	10.00	

Ardens

Anemonoeflora

Boul de Feu

Duchess de Brabant

HYDRANGEA

The massiveness of bloom on these valuable shrubs and their long blooming season, assure them a place in every group where solid white effects are required.

H. arborescens (Smooth Hydrangea). S. This beautiful shrub is being sent out under various names, as "Snowball Hydrangea," "Hills of Show," etc.

	Each	Per 10	Per 100
18 to 24 inches.....	\$.50	\$4.00	\$35.00
2 to 3 feet.....	.60	5.00	45.00

H. paniculata (The Type). L. The panicles of white bloom are more open than those of the Grandiflora.

	Each	Per 10
2 to 3 feet.....	\$.75	\$6.50

H. paniculata grandiflora (Pee Gee) (Bush Shape). M. Massive white flowers turning to pink, then red, bronze and green.

	Each	Per 10	Per 100
18 to 24 inches.....	\$.50	\$4.00	\$35.00
2 to 3 feet.....	.60	5.00	45.00
3 to 4 feet.....	.75	6.50	60.00

H. paniculata grandiflora (Pee Gee) (Tree Shape). M.

	Each	Per 10
3 to 4 feet.....	\$1.35	\$12.50
4 to 5 feet.....	1.60	14.00

H. quercifolia (Oak-Leaved Hydrangea). S. Purplish-white flowers borne in panicles.

	Each	Per 10
18 to 24 inches.....	\$1.15	\$10.00
2 to 3 feet.....	1.35	12.50

HYPERICUM—St. John's Wort

H. aureum. Flowers in cymes, yellow with golden filaments at center.

	Each	Per 10
24 to 30 inches.....	\$.90	\$8.00

ILEX—Black Alder or Winterberry

I. verticillata. M. Brilliant red berries in autumn.

	Each	Per 10
12 to 18 inches.....	\$.60	\$5.00
2 to 3 feet, B. & B.....	1.50	13.50
3 to 4 feet B. & B.....	2.50	22.50

JASMINUM

J. nudiflorum. Yellow flowers.

	Each	Per 10
18 to 24 inches.....	\$.75	\$6.50

KERRIA—Corchorus

K. japonica. F. May, June. Yellow.

	Each	Per 10	Per 100
18 to 24 inches.....	\$.85	\$7.50	\$70.00
2 to 3 feet.....	1.00	9.00	85.00

K. japonica flore pleno. F. Double flowers; yellow.

	Each	Per 10	Per 100
18 to 24 inches.....	\$.85	\$7.50	\$70.00
2 to 3 feet.....	1.00	9.00	85.00

KOLKWITZIA AMABILIS (Beauty Bush)

	Each	Per 10
18 to 24 inches.....	\$1.50	\$13.00
24 to 30 inches.....	2.00	17.50

LAGERSTROEMIA—Crape Myrtle

L. indica purpurea. Fine lavender blue.

L. indica rosea. M. Flowers bright pink.

L. indica rubrum. Dwarf crimson.

	Each	Per 10
18 to 24 inches.....	\$.65	\$5.50
2 to 3 feet.....	.75	6.50

LESPEDEZA—See Desmodium

LIGUSTRUM—Privet

The Privet is now one of the best known shrubs, both for hedging and for ornamental planting on the lawn. All of the varieties offered have merit, some for their foliage, some for their berries. They are almost evergreen and of dense habit and bear shearing to any extent.

L. amurense (North) (Amoor River Privet). Flowers white, fruit black.

	Each	Per 10
2-year-old plants, No. 1.....	\$.45	\$3.50

C. ramona. Deep sky-blue.

	Each	Per 10
2-year-old plants, No. 1.....	\$1.00	\$9.00

DOLICHOS JAPONICA—Kudzu Vine

See *Pueraria Thumbergiana*.

EUONYMUS

E. kewensis. Small dark green foliage. A fine rock plant or ground cover. Fine under trees where grass will not grow.

	Each	Per 10
15 to 18-inch, 2-year.....	\$.70	\$6.50

E. radicans (Winter Creeper). An evergreen vine, with dark green foliage will cling to walls like ivy.

	Each	Per 10	Per 100
15 to 18-inch, 2-year.....	\$.70	\$6.00	\$55.00

E. radicans variegata. An evergreen vine with variegated foliage that clings to walls like ivy.

	Each	Per 10	Per 100
15 to 18-inch, 2-year.....	\$.70	\$6.00	\$55.00

E. radicans vegeta (Big-Leaved Winter Creeper). A strong growing variety producing bright orange-red berries. An evergreen, absolutely hardy wall cover.

15 to 18-inch, 2-year.....	\$.75	\$6.50	\$60.00
----------------------------	--------	--------	---------

HEDERA—Ivy

H. Haagenbacki. Very decorative vine for indoors, on account of the variegated foliage. Improvement on the *Hedera Helix*.

	Each	Per 10
3-inch pots	\$.35	\$2.50
4-inch pots50	4.00

H. helix (English Ivy). Suitable to cover rocks, graves, and as a carpet under trees in places where grass will not grow.

H. canariensis (Irish Ivy). A well known sort, for covering graves, also for clinging to brick walls.

	Each	Per 10	Per 100
2½-inch pots	\$.15	\$1.25
3-inch pots, strong plants, 2 canes	.45	3.50	30.00
4-inch pots, extra strong plants, 3 canes....	.65	5.50	50.00

LONICERA—Honeysuckle

L. japonica aurea reticulata. Flowers yellow and fragrant.

L. japonica (*Bracypoda*). Flowers yellow and fragrant.

L. sempervirens (Scarlet Trumpet). Bright red, trumpet-shaped flowers.

	Each	Per 10	Per 100
2-year-old, strong plants.....	\$.55	\$4.50	\$40.00

L. periclymenum belgica (Monthly Fragrant). Very fragrant; color red and yellow; a constant bloomer. Each 70c; per 10 \$6.00; per 100 \$55.00

L. japonica halleana (Hall's Honeysuckle). Color white, changing to yellow, very fragrant. Each 45c; per 10 \$3.50; per 100 \$30.00.

LYCIUM—Matrimony Vine

L. chinensis. Very hardy, grows anywhere. Flowers small, pink and purple, succeeded by a profusion of bright scarlet and orange fruits through late fall and winter.

	Each	Per 10	Per 100
2 to 3 feet.....	\$.45	\$3.50	\$30.00

PASSIFLORA—Passion Flower

P. pfoetti. Spring planting only. Flowers light blue, suffused with rose. Each 25c; per doz. \$2.50.

POLYGONUM—Silver Lace Vine

P. auberti. One of the most desirable flowering climbers. Great foamy sprays of white flowers.

	Each	Per 10	Per 100
Strong plants	\$.80	\$7.00	\$65.00
Extra size	1.00

PUERARIA THUNBERGIANA

P. thunbergian (Kudzu Vine) (Dolichos). A fast-growing vine for covering arbors and trellises, also for covering rocky slopes.

	Each	Per 10
2-year-old plants	\$.35	\$2.50

WISTERIA

The Wisteria is one of the most decorative of vines.

W. sinensis (Chinese). Flowers in clusters, pale blue.

	Each	Per 10
2-year-old plants (Layers), or grafts.....	\$.95	\$8.50

W. sinensis alba. Of similar habits to sinensis, with pure white flowers.

	Each	Per 10
2-year-old plants (Layers).....	\$1.00	\$9.00

W. venusta. White flowering, and is a better bloomer than the common sinensis alba.

	Each	Per 10
2-year plants	\$1.20	\$10.00

Our Wisteria are grown from layers or grafts from blooming plants, hence are guaranteed to bloom.

HOW TO PLANT EVERGREENS

1. Dig a hole several inches larger than the ball of the plant to be planted.
2. Set tree in hole a trifle lower than it stood in the nursery.
3. Fill good top soil up around ball; pack firmly with feet or settle by filling hole with water.
4. Loosen burlap at top of ball and roll back or cut off.
5. Fill hole with soil. Pack firmly and leave top of ground covered with loose earth or, better, mulch with straw.

Evergreens—Coniferae

ABIES—Fir

A. canadensis (Hemlock). See Tsuga.

A. concolor. Grows rapidly and forms magnificent specimens. Pale glaucous-blue needles.

	Each	Per 10
3 to 4 feet.....	\$12.00	\$110.00
4 to 5 feet.....	15.00	135.00

A. douglassii. See "Pseudotsuga."

BIOTA—Oriental Arborvitae

B. aurea conspicua (Gold Spire). A fine pyramidal, bright golden

	Each	Per 10
24 to 30 inches, B. & B.....	\$6.00	\$55.00
30 to 36 inches, B. & B.....	8.00	75.00
36 to 42 inches, B. & B.....	9.00	85.00
4 to 5 feet.....	12.00	110.00

B. orientalis (Common Chinese Arborvitae). A tall fast-growing tree but not so compact.

	Each	Per 10
18 to 24 inches, B. & B.....	\$2.00	\$15.00
2 to 3 feet, B. & B.....	3.00	25.00
3 to 4 feet, B. & B.....	5.00	45.00
4 to 5 feet, B. & B.....	8.00	75.00
5 to 6 feet, B. & B.....	11.50	110.00
6 to 7 feet, B. & B.....	14.00	130.00

B. orientalis aurea nana (Berkman's Golden Arborvitae). The most popular Biota grown.

	Each	Per 10
12-inch, B. & B.....	\$2.75	\$22.50
15-inch, B. & B.....	3.75	32.50
18-inch, B. & B.....	4.75	42.50
24-inch, B. & B.....	6.50	60.00
30-inch, B. & B.....	8.50	85.00
36-inch, B. & B.....	10.00	95.00

B. orientalis bonita. Very dwarf, round, compact, fine foliage.

	Each	Per 10
18 to 24 inches B. & B.....	\$3.25	\$30.00
24 to 30 inches, B. & B.....	4.00	35.00

B. orientalis compacta (Green). A compact form of Chinese Arborvitae. Foliage very dark green.

	Each	Per 10
18 to 24 inches, B. & B.....	\$2.50	\$20.00
24 to 30 inches, B. & B.....	4.00	35.00
30 to 36 inches, B. & B.....	5.50	50.00
36 to 42 inches, B. & B.....	6.50	60.00

B. orientalis compacta aurea. Same habit and form as compacta but has a light green or golden color.

	Each	Per 10
36 to 42 inches, B. & B.....	\$6.75	\$62.50

B. orientalis elegantissimi (Yellow Column Arborvitae). A splendid golden upright form that turns a beautiful bronze in the winter.

	Each	Per 10
24 to 30 inches, B. & B.....	\$5.00	\$47.50
30 to 36 inches, B. & B.....	6.50	60.00
36 to 40 inches, B. & B.....	7.50	70.00
4 to 5 feet, B. & B.....	9.00	85.00

B. orientalis pyramidalis (Baker's Strain). Pyramidal growth, densely clothed with fresh, lively green foliage.

	Each	Per 10
30 to 36 inches, B. & B.....	\$4.75	\$42.50
36 to 42 inches, B. & B.....	5.50	50.00
42 to 48 inches, B. & B.....	6.50	60.00
48 to 54 inches, B. & B.....	7.75	72.50
54 to 60 inches B. & B.....	9.00	85.00
5 to 6 feet, B. & B.....	10.00	95.00

JUNIPERUS—Juniper or Cedar

J. chinensis (Chinese Juniper). Similar in habit to common red cedar and retains a brighter green color.

	Each	Per 10
4 to 5 feet, B. & B.....	\$7.50	\$70.00

J. chinensis pfitzeriana (Pfitzer's Juniper). The color of foliage a bright silvery green.

	Each	Per 10
18 to 24 inches, B. & B.....	\$4.75	\$42.50
24 to 30 inches, B. & B.....	6.50	60.00
30 to 36 inches, B. & B.....	7.50	70.00
36 to 42 inches, B. & B.....	8.75	82.50
42 to 48 inches, B. & B.....	10.00	95.00

J. communis columnaris (Columnar English Juniper). A distinct type of English Juniper, growing in column without shearing.

	Each	Per 10
3 to 4 feet, B. & B.....	\$10.00	
4 to 5 feet, B. & B.....	12.50	

J. communis depressa (Canadensis or Prostrate Juniper). Low spreading form of Juniper.

	Each	Per 10
18 to 24 inches, B. & B.....	\$4.00	\$35.00
24 to 30 inches, B. & B.....	5.00	45.00
30 to 36 inches, B. & B.....	7.00	65.00

J. communis hibernica (Irish Juniper). Rigidly upright and formal in character, resembling a green column.

	Each	Per 10
2 to 3 feet specimens, B. & B.....	\$3.50	\$30.00
3 to 4 feet, B. & B.....	4.25	37.50

J. communis suecica (Swedish Juniper). A narrow pyramidal tree, with grayish-green foliage.

	Each	Per 10
2 to 3 feet B. & B.....	\$3.50	\$30.00
3 to 4 feet, B. & B.....	5.00	45.00

J. excelsa stricta (Greek Juniper). A very compact little evergreen of pyramidal habit. Foliage dark green.

	Each	Per 10
15 to 18 inches, B. & B.....	\$3.00	\$25.00
18 to 24 inches, B. & B.....	4.50	40.00
24 to 30 inches B. & B.....	6.00	55.00
30 to 36 inches, B. & B.....	7.50	70.00

J. horizontalis glauca (Creeping Juniper). Used in rockeries, or on terrace where a low tree is desired. Color is of a bluish cast.

	Each	Per 10
18 to 24 inches, B. & B.....	\$4.50	\$40.00
24 to 30 inches, B. & B.....	5.00	45.00
30 to 36 inches, B. & B.....	6.50	60.00

J. sabina (Savin Juniper). A spreading form, with deep, dark green foliage.

15 to 18 inches, B. & B.....	\$3.00	\$25.00
18 to 24 inches, B. & B.....	4.50	40.00
24 to 30 inches, B. & B.....	5.50	50.00
30 to 36 inches, B. & B.....	6.50	60.00

J. Sabina tamariscifolia (Gray Carpet Juniper). A distinct trailing variety of Sabina.

	Each	Per 10
15 to 18 inches, B. & B.....	\$4.00	\$35.00
18 to 24 inches, B. & B.....	5.50	50.00
24 to 30 inches, B. & B.....	7.00	65.00

J. scopulorum (Silver Cedar). Silvery-blue and retains its color throughout the season.

	Each	Per 10
3 to 4 feet.....	\$8.50	\$80.00
4 to 5 feet.....	9.75	92.50

J. virginiana (Red Cedar). One of the most valuable trees for screens and windbreaks.

	Each	Per 10
2 to 3 feet, B. & B.....	\$4.00	\$35.00
3 to 4 feet, B. & B.....	5.95	55.00
4 to 5 feet, B. & B.....	7.50	70.00
5 to 6 feet, B. & B.....	9.00	85.00
6 to 8 feet, B. & B.....	10.50	100.00
8 to 10 feet, B. & B.....	15.00	—

J. virginiana cannarti (Cannarti Juniper). Of pyramidal habit, branches graceful, of a pleasing dark green.

	Each	Per 10
3 to 4 feet, B. & B.....	\$9.50	\$90.00
4 to 5 feet, B. & B.....	12.50	120.00
5 to 6 feet, B. & B.....	17.50	—

J. virginiana glauca (Silvery Red Cedar). Fine, vigorous grower; cone-shaped, and having a peculiar whitish color.

	Each	Per 10
2 to 3 feet, B. & B.....	\$7.50	\$70.00
3 to 4 feet, B. & B.....	9.00	85.00
4 to 5 feet, B. & B.....	12.50	120.00

J. virginiana schottii (Schottii Juniper). This variety is easily distinguished by its bright pea-green color. Its growth is very symmetrical and upright. Producing light blue and silvery colored berries in season, which are very attractive.

	Each	Per 10
30 to 36 inches, B. & B.....	\$7.50	\$70.00
3 to 4 feet, B. & B.....	9.00	85.00

PICEA—Spruce

P. canadensis alba (White Spruce). Of compact, pyramidal form and greater symmetry than that of the Norway Spruce. Elegant silvery foliage.

	Each	Per 10
30 to 36 inches, B. & B.....	\$4.75	\$45.00
3 to 4 feet, B. & B.....	6.50	60.00
4 to 5 feet, B. & B.....	8.50	80.00

P. canadensis albertiana (Black Hills Spruce). Foliage is a bluish-green. A very pretty, compact growing evergreen.

	Each	Per 10
12 to 15 inches, B. & B.....	\$2.00	\$15.00
15 to 18 inches, B. & B.....	2.75	22.50
18 to 24 inches, B. & B.....	3.25	27.50
24 to 30 inches, B. & B.....	4.00	35.00
30 to 36 inches, B. & B.....	5.50	50.00
3 to 4 feet, B. & B.....	6.50	60.00
4 to 5 feet, B. & B.....	8.50	80.00
5 to 6 feet, B. & B.....	10.00	95.00

P. excelsa (Norway Spruce). Rapid in growth, dense in structure, regular in outline and perfectly hardy.

	Each	Per 10
18 to 24 inches, B. & B.....	\$2.00	\$15.00
2 to 2½ feet, B. & B.....	3.25	27.50
2½ to 3 feet, B. & B.....	4.00	35.00
3 to 4 feet, B. & B.....	5.00	45.00
4 to 5 feet, B. & B.....	6.25	57.50
5 to 6 feet, B. & B.....	8.50	80.00
6 to 7 feet, B. & B.....	12.00	110.00

P. pungens (Green Colorado Spruce). Of pyramidal habit and compact growth; leaves bluish-green.

	Each	Per 10
3 to 4 feet, B. & B.....	\$10.00	\$95.00
4 to 5 feet, B. & B.....	12.00	110.00

P. pungens glauca (Colorado Blue Spruce) (True blue color). Color is of a beautiful blue, which holds well all through the year.

	Each	Per 10
18 inches, B. & B.....	\$7.50	\$70.00
24 inches, B. & B.....	9.50	90.00
30 inches, B. & B.....	13.50	130.00
3 feet, B. & B.....	20.00	195.00
3½ feet, B. & B.....	25.00	—
4 feet, B. & B.....	27.50	—
4½ feet, B. & B.....	32.50	—
5 feet, B. & B.....	37.50	—

P. pungens kosterians (Koster's Blue Spruce).

	Each	Per 10
24 inches, B. & B.....	20.00	
30 inches, B. & P.....	27.00	
36 inches, B. & P.....	35.00	
4 feet, B. & B.....	44.00	

P. pungens Moerheimer (Moerheim's Blue Spruce). Similar to Ksters.

	Each	Per 10
3 to 3½ feet.....	\$30.00	\$280.00
4 to 4½ feet.....	40.00	380.00
5 to 5½ feet.....	60.00	550.00

PINUS—Pine

P. nigra austriaca (Austrian Pine). Leaves or needles stiff and dark green.

	Each	Per 10
2 to 3 feet, B. & B.....	\$5.00	\$45.00
3 to 4 feet, B. & P.....	8.00	75.00
4 to 5 feet, B. & P.....	12.00	110.00

P. montana mughus (Dwarf Mountain Pine). Very distinct, leaves short, stiff, a little twisted and thickly distributed over the branches.

	Each	Per 10
12 to 15 inches, B. & B.....	\$3.50	\$30.00
15 to 18 inches, B. & P.....	5.00	45.00
18 to 24 inches, B. & P.....	6.25	57.50
24 to 30 inches, B. & P.....	7.50	70.00
30 to 36 inches, B. & P.....	9.00	85.00

P. sylvestris (Scotch Pine). A rapid grower very hardy, with short, rigid, light green leaves.

	Each	Per 10
2 to 3 feet, B. & B.....	\$3.50	\$30.00
3 to 4 feet, B. & P.....	5.50	50.00
4 to 5 feet, B. & P.....	7.50	70.00
5 to 6 feet, B. & B.....	9.50	90.00
6 to 7 feet, B. & P.....	12.50

P. strobus (White Pine). An old and well known native tree of rapid growth.

	Each	Per 10
2 to 3 feet, B. & P.....	\$5.00	
3 to 4 feet, B. & P.....	6.50	
4 to 5 feet, B. & P.....	9.00	

On account of embargo this variety cannot be shipped outside of Missouri.

PSEUDOTSUGA—Fir

P. douglassii (Douglas Fir). Branches spreading, horizontal; leaves light green above, glaucous below.

	Each	Per 10
2 to 3 feet, B. & P.....	\$5.50	
3 to 4 feet, B. & P.....	7.50	
4 to 5 feet, B. & P.....	9.00	

RETINOSPORA—Cypress

R. plumosa. An exceedingly handsome, acorn-shaped evergreen, with feathery light green foliage.

	Each	Per 10
24 to 30 inches, B. & P.....	3.50	\$30.00
3 to 4 feet, B. & P.....	6.50	60.00
4 to 5 feet, B. & P.....	9.00	85.00
5 to 6 feet, B. & P.....	12.50

R. plumosa aurea. Foliage soft plume-like, of a golden-yellow color.

	Each	Per 10
24 to 30 inches, B. & P.....	\$3.50	\$30.00
3 to 4 feet, B. & P.....	6.50	60.00
4 to 5 feet, B. & P.....	9.50	85.00
5 to 6 feet, B. & P.....	12.50

THUYA—Arborvitae

T. occidentalis (American Arborvitae). It forms an upright conical tree and is especially valuable for screens and hedges.

	Each	Per 10
24 to 30 inches, B. & B.....	\$2.75	\$22.50
30 to 36 inches, B. & B.....	3.50	30.00
3 to 4 feet, B. & P.....	5.00	45.00
4 to 5 feet, B. & P.....	6.50	60.00
5 to 6 feet, B. & P.....	7.50	70.00

T. occidentalis globosa (Globe Arborvitae). Same shade of green as Pyramidalis.

	Each	Per 10
15 inches wide and 15 inches high, B. & B.....	\$2.50	\$20.00
18 inches wide and 18 inches high, B. & B.....	3.75	32.50

T. occidentalis hoveyii (Hovey's Arborvitae). Dense, slow growing, foliage light green.

	Each	Per 10
24 to 30 inches, B. & B.....	\$4.50	\$40.00
30 to 36 inches, B. & B.....	6.00	55.00

T. occidentalis pyramidalis (Pyramidalis Arborvitae). Of upright pyramidal compact habit. Very desirable.

	Each	Per 10
2½ to 3 feet, B. & B.....	\$4.50	\$40.00
3 to 4 feet, B. & B.....	6.50	60.00
4 to 5 feet, B. & B.....	9.00	85.00

T. occidentalis vervaeneana (Vervaena Arborvitae). Greenish-yellow foliage.

	Each	Per 10
4 to 5 feet, B. & B.	\$10.00	\$95.00

T. occidentalis wareana (Siberian Arborvitae). Dark green foliage. Very hardy.

	Each	Per 10
18 to 24 inches, B. & B.	\$2.50	\$20.00
24 to 30 inches, B. & B.	3.50	30.00
30 to 36 inches, B. & B.	5.00	45.00
36 to 42 inches B. & B.	7.00	65.00

TSUGA—Hemlock

T. canadensis. Drooping branches and dense habit.

	Each	Per 10
24 to 30 inches, B. & B.	\$5.00	\$45.00
30 to 36 inches, B. & B.	7.00	65.00
3 to 4 feet B. & B.	9.00	85.00
4 to 5 feet, B. & B.	12.50

Evergreen Shrubs

AZALEA

A. amoena. A bushy, dwarf grower with small green leaves. In April or May the whole plant is covered with a mass of brilliant claret-colored flowers that retain their beauty for several weeks.

	Each
12 to 15 inches.	\$3.50

A. hinodegiri. A bright scarlet form of the well-known Azalea Amoena, a profuse bloomer; foliage evergreen.

	Each
12 to 15 inches, B. & B.	\$4.00

DAPHNE

D. Cneorum (Garland Flower). A dwarf, bushy plant almost prostrate stems covered with dark green leaves, each stem tipped with a dense cluster of rose-pink, deliciously fragrant flowers in May and August.

	Each
8 to 10 inches, B. & B.	\$2.00
10 to 12 inches, B. & B.	2.75

EUONYMUS

This ornamental plant is not absolutely hardy. As a pot plant it is ideal for decoration. Rather slow-growing.

E. marginata. Leaves elongated, silver green, with white edge, slightly serrated.

	Each	Per 10
4-inch pots	\$.50	\$4.50

E. marginata aurea. Leaves long, ovate, the predominating color is yellow, with a border of green.

	Each	Per 10
4-inch pots	\$.50	\$4.50

ILEX—Holly

The Hollies are coming into demand as people get to know what splendid ornamental plants they are.

I. opaca (American Holly). This is our native Holly, but is a rare plant in our American nurseries. Only a limited stock on hand.

	Each	Per 10
2 to 3 feet, B. & B.	\$8.00	\$70.00
3 to 4 feet, B. & B.	11.00	100.00
4 to 5 feet, B. & B.	13.00	120.00
5 to 6 feet.	15.00	140.00

KALMIA—Mountain Laurel

K. latifolia. Dark green foliage and showy masses of pink flowers in June; thrives well in shade. (Prepare soil same as for Rhododendrons.)

	Each
15 to 18 inches, B. & B.	\$3.50
18 to 24 inches B. & B.	4.00

MAHONIA—Holly Grape

Mahonia aquifolia (Holly-Leaved Mahonia). Purplish, shiny, prickly leaves, and showy, bright yellow flowers in May, succeeded by bluish berries.

	Each	Per 10
18 to 24 inches B. & B.	\$2.25	\$18.00
24 to 30 inches, B. & B.	3.50	30.00
30 to 36 inches.	4.75	42.50

RHODODENDRON

On account of the many requests for Rhododendron, we have decided to list them for Spring. Owing to our inability to give varieties and prices at this time; we kindly ask those interested to write for prices and varieties.

Roses—The Queen of Flowers

Hybrid Perpetual Rose—Rosa Hybrida Cifera

This class of roses is admirably suited for garden culture, for the formation of rose beds, hedges and permanent plantations, where hardy varieties of roses are desired. They are of easy culture and luxuriant in a deep, rich soil. They are benefited by mulching in the fall of the year. Plant two feet apart in beds.

Prices Unless Otherwise Noted

Dormant Plants, 2-yr. No. 1: Each, 65c; per 10, \$5.50; per 100, \$50.00.

VARIETIES

Alfred Colomb. Carmine-crimson; large, full, fine globular form.

Anna de Diesbach. Shell pink.

Baron de Bonstettin. Rich dark red.

Cap. Hayward. Bright scarlet.

Clio. Flesh color.

Frau K. Druschke. One of the best Double White Roses.

General Jacqueminot. Velvety-crimson.

George Ahrendes. Bright carmine-rose.

J. B. Clark. Intense scarlet.

Marg-Dickson. Color white, with pale flesh center.

Mrs. John Laing. Bright shining pink.

Paul Neyron. Beautiful pink.

P. C. deRohan. Very dark, rich velvety-crimson.

Ulrich Brunner. Brilliant cherry-red.

American Beauty. Rich red.

10c per plant; higher

Everblooming Roses—

Consisting of Hybrid Teas, Teas, Bourbon and Hybrid Polyantha

Letters H. T. denote Hybrid Tea Roses,
Letter T denotes Tea Roses.

Prices on Dormant Plants unless otherwise noted

	Each	Per 10	Per 100
2-year number one plants, budded stock....	\$.70	\$6.00	\$55.00

(This class of Roses may be planted in the fall, if they are properly protected. We, however, advocate spring planting for best results.)

Betty Uprichard. Salmon-pink, the exterior orange-carmine.

Each, 85c; per 10, \$7.50; per 100, \$70.00.

Caroline Testout (H. T.). Brilliant satiny-rose.

Columbia (H. T.). Peach-blow pink.

Dame Edith Helen. One of the largest and most perfectly shaped

pink Roses known. Each, 85c; per 10, \$7.50; per 100, \$70.00.

Duchess of Wellington. Saffron-yellow buds opening to light yellow flowers. Each, 85c; per 10, \$7.50; per 100, \$70.00.

Edel (H. T.). Fine new white rose, ivory at base.

Edward Mawley. Bright crimson.

Etoile de France (H. T.). Clear red-crimson-velvet.

General-Superior Arnold Janssen. Deep glowing pink.

Gorgeous. Coppery-pink.

Gruss an Teplitz. Fiery-crimson, very hardy.

Jonkheer J. L. Mock (H. T.). Clear imperial-pink.

Kaiserin Augusta Victoria (H. T.). White, very fine.

Lady Hillingdon (T.). Deep apricot-yellow.

Laurent Carle (H. T.). Brilliant velvety-carmine.

Los Angeles. Pale salmon-pink, richly shaded deep rose.

Mad. Butterfly (T.). Bright pink, apricot and gold.

Mad. Eduoard Herriot (H. T.). Coral-red shading of yellow terra cotta bronze and geranium-red; something of every color.

Mrs. Aaron Ward (H. T.). Indian-yellow.

Ophelia (H. T.). Brilliant salmon-flesh, shaded with rose on outer petals

Premier (H. T.). Very deep rose color.

Radiance (H. T.). Brilliant rosy-carmine.

Red Radiance (H. T.). A bright, cheerful and even shade of pure red.

Souv. de Claudius Pernet (H. T.). Large flower, fast color of sun-flower-yellow.

Sunburst (H. T.). Golden-orange.

Wm. F. Dreer. A bright yellow, shaded with coppery pink.

Talisman. Orange-red buds, opening into golden yellow; stained with copper-red. Each, \$1.25; per 10, \$11.50.

Rosa Setigera. Single, deep rose-colored flower.			
2-year No. 1.....	\$.60	\$5.00	
Sweet Brier. See <i>Rosa Rubiginosa</i> .			

Hardy Perennials

Our Perennials are well grown and stocky plants.

There are only a few varieties of Perennials that are safely transplanted in the fall. Our Perennial plants are all potted in the fall and carried over winter in cold frames. This keeps them in good condition, and if planted in early April produce a crop of flowers the first season. There are some varieties that should be planted in September and October. These will be quoted in this list. Varieties not quoted in this list will be quoted in our 1932 Catalog and Guide.

AJUGA—Bugleweed

A. reptans rubra. Grows three to four inches high, with deep purplish blue flowers in May and June. A suitable plant for rockery and for carpeting the ground particularly in shady places. Each 25c; per doz., \$2.50; per 100, \$18.00.

AQUILEGIA—Columbine

Remarkably graceful and beautiful perennials, noteworthy for the charm of their flowers. Few hardy plants can excel them in beauty. They are ideal plants for partially shady borders.

Culture. Columbines succeed in ordinary soils containing plenty of humus, provided by dressings of peat and well-decayed manure. Heavy soils are not suitable for the hybrids, but good for the common species. All prefer partial shade; besides, the flowers develop better, grow larger, and last longer in perfection in partial shade than in sun. Plant in fall or spring, 8 to 10 inches apart. Best grown in groups of three or more. All do well under the shade of small trees.

Aquilegia (Columbine)

A. californica hybrida	A. coerulea
A. canadensis	A. helenae
A. chrysantha (Golden Spurred)	A. nivea grandiflora
A. chrysantha alba	

Each 25c; per doz. \$2.50; per 100 \$18.00.

Convallaria (Lily of the Valley)

Clumps. 10 pips to clump. Each 50c; per doz. \$5.00.
Dutch pips. Per 25 \$1.50; per 100 \$5.00.

DELPHINIUM—Larkspur

Stately and handsome summer-flowering, herbaceous perennials of unsurpassable beauty for the border. Few plants lend a greater attraction to the border in early summer than bold masses of the many lovely colors when in flower. Fortunately they can be grown in every garden, but in our warm, dry states they do not live long. Best results are obtained in cooler regions, especially along the Pacific and Atlantic Coast.

Culture. Delphiniums require a rich, generous, and well drained soil. On soils of a light or medium nature dig in plenty of well-decayed manure. In those of a heavy nature it is desirable to dig out holes two feet deep and wide for each plant. Fork up the sub-soil and mix manure freely with it, then fill the holes with a compost of two parts loam and one of equal proportions of decayed manure and sand. Unless such a precaution be taken in case of heavy soils the plants will not survive the winter. The plants are best grown in groups of three or six. Allow a distance of at least 18 inches to two feet between the plants. Planting may be done in autumn or early spring. Remove faded flowers and on no account allow seeds to develop, then a second crop of flowers may be expected later on. Each spring apply a liberal mulch of rotten manure around the base of the plant. Every third year lift, divide, and replant in freshly dug and manured soil.

Delphinium—Larkspur

- D. belladonna.** Free bloomer, June to frost. Flowers turquoise blue. A fine summer cut-flower plant.
D. bellamosum. The dark blue form of the popular light blue Belladonna with which it is identical in habit of growth, freedom of bloom but with intensely rich, deep blue flowers.
D. gold medal hybrids. A fine strain of mixed hybrids from England. Very fine. Each 30c; per doz., \$3.00; per 100, \$20.00.
Blackmore, Langdon Strain. Very large flowers and long spikes. Special English introduction. Very fine. Each, 35c; per doz., \$3.50.

DIELYTRA OR DICENTRA—

Bleeding Heart

- D. spectabilis** (Bleeding Heart or Seal Flower). An old-time favorite. Each, 50c; per doz., \$5.00
D. exima. Flowers reddish-purple, drooping. Foliage silvery and lanceolated, growing 10 to 18 inches high. Each, 50c; per doz., \$5.00.

Funkia (Plantain Lily)

- | | |
|-----------------------------|----------------------------------|
| F. coerulea | F. subcordata grandiflora |
| F. robusta elegans | F. undulata media picta |
| Each 30c; per doz., \$3.00. | |

Special Collection

GERMAN IRIS—Five varieties, two each, our selection of special selected varieties.

Postage paid, \$1.20.

Iris—Germanica (Fleur de lis)

The German Iris is one of the most desirable early flowering-flowering plants. The flowers are of large size and exquisite colors. No garden should be without a collection of these popular flowers.

Alcazar. 8-9 S, light violet; F, deep purple-bronze, veined throat.

Celeste. S, lavender; F, deep lavender, large flower.

Caprice. 7-5. S, rosy-red; F, deeper rosy-red, 24 in.

Eldorado. 7-8, S, bronze; F, violet purple, 30 in.

Gertrude. 6-5, S and F same shade rare violet blue of uniform shade, 34 in.

Honorabilis. 4-0, S, golden yellow; F, rich deep brown.

Juniata. 8-1 clear blue, deeper than dalmatica, tallest of the bearded Iris, large fragrant flowers, 40 in.

Lorely. 7-9, S, light yellow; F, blue, bordered light yellow.

Loute. S, light mauve with bronze sheen; F, reddish purple with bronze veins.

Mme. Chereau. 7-4 white, elegantly frilled azure blue.

Mrs. H. Darwin. S, snow white; F, white, slightly violet at base.

Monignor. 8-4, S, violet; F, velvety purple crimson. Very good.

Pallida Dalmatica. 8-8, large lavender-blue; 42 in. Very fine.

Quaker Lady. 8-4, S, smoky light lavender; F lavender blue.

Queen of May. 7-4, lilac pink to orchid-pink; midseason.

Sherwin Wright. 7-8, S and F bright clear yellow, 20 in. Very good. 15c each; \$1.50 per doz.; \$11.00 per 100.

Ambassadeur. 9-4 S, smoky velvety-purple color; F, velvety purple-maroon. Each, 40c; per doz., \$4.20.

Dream. 8-5, soft pink tinted lavender; 36-in. Each, 35c; per doz., \$3.50.
Lent A. Williamson. 9-0, S. lavender-violet; F, velvety violet-purple, 36-42 in. Each, 35c; per doz., \$3.50.
Lord of June. 9-1 S, lavender-blue; F, rich violet purple, sweetly scented. A very fine variety. 40 in. Each, 40c; per doz., \$4.20.
Queen Catarina. 9-1, azure lilac, "Moonlight" silvering, bronze haft and orange beard, 40 in. Each, 35c; per doz., \$3.50.
Souv. de Mme. Gaudichau. 9-3, Tall; deep velvety violet blue. Very good. Each, 35c; per doz., \$3.50.
Gold Imperial. The best, most vigorous all yellow iris, perfect in form, of large size; free-blooming, rich chrom yellow, with a brilliant orange beard. Each, 35c; per doz., \$3.50.

INTERMEDIATE VARIETIES

Walhalla. S lavender; F, wine-red.
Freya. S, pearl; F, flamed-violet.
Helge. Lemon-yellow, pearl shadings.
 Each, 20c; per doz., \$2.00; per 100, \$15.00.

DWARF IRIS FOR EDGING

Cyanea. Deep velvety-blue; flowers large. Each, 15c; per doz., \$1.25; per 100, \$7.50.
Bride. White with primrose beard. Each, 20c; per doz., \$2.00.
Stewart alpina hybrata Pure yellow. Each, 20c; per doz., \$2.00.
Fairy. Pale blue, fine. Each, 20c; per doz., \$2.00.
IRIS KAEMPFERII (Japan Iris). We have a limited stock of this Iris in assortment.

Iris—Japanese

Astarte. Double beautiful dark violet.
Hercule. Double clear lilac, blue.
Iphigenie. Deep Chinese lilac.
Iso-no-nami. Double soft blue, silvery veins.
Koko-no-iro. Rich royal purple with white veinings.
Mahogany. Large double flowers latest to bloom. Purpled mahogany-red. The erect petals prettily crested.
Ski-no-ryo. Double blue and white.
 Each, 35c; per doz., \$3.50; per 100, \$23.00.

Iris—Siberian

I. siberica. Purplish-blue flowers, 3 feet high, useful for cutting.
 Each, 25c; per doz., \$2.50.

Special Collection

JAPAN IRIS—7 select varieties, one each, No. 1 plants.

Postage paid, \$1.80.

LILIUM—Lily

Outdoor culture. When planting Lilies out of doors, see that they have a well-drained position, and where they will be shaded from very hot sun. Such places can usually be found around the shrub borders, and in the hardy plant border.

Spade over the ground thoroughly to a depth of 18 inches before planting Lillies and enrich it by adding equal portions of leafmold, peat and rotten manure. Plant the bulbs 4 to 6 inches deep, putting some sand under and around the bulbs.

L. candidum. The old-fashioned pure white garden lily. One of the hardiest. Each, 40c; per doz., \$4.00.

THE NEW REGAL LILY

Lilium regale or myriophyllum. Experiments have proven this new lily to be hardier than most kinds. The flowers are white, slightly suffused with pink; with a beautiful glow of canary-yellow at center; which continues part way up the trumpet. July. Each, 40c; per doz., \$4.00.

HOW TO GROW PEONIES

The time to plant Peonies is in the fall—from the first of September until freezing weather. Any good garden soil is good for Peonies but do not plant in low wet soil or in light, sandy soil, and do not use any fresh manure near the plant when setting. We use a small handful of dry ground bone meal to each plant when setting and a good potato fertilizer in spring, just before they begin coming through the ground and cultivate it in soon as you use it.

In planting see that the eyes are about two inches below the level surface of the ground. Remember, too deep planting is one of the main causes of shy blooming. And, do not expect a full crop of blooms the first year. If properly planted and cared for you will have some flowers the first year but you must give the plants time to make new roots and become established before you can expect a normal crop of flowers. And, another thing to remember: always leave at least two or three leaves on the stock when you cut the bloom. This helps the plant store up strength to produce another crop.

Peonies (*Herbaceous*)

Mme. Calot. 8-1, Rose type—Hydrangea pink; early. Each, 50c; per doz., \$5.25.

Duch. de Nemours. Pure white, early. Each, 50c; per doz., \$5.25.

Edules Superba. Rose-pink, early. Each, 50c; per doz., \$5.25.

Felix Crousse. Bright ruby-red, rose type, mid-season. Very good. Each, 75c; per doz., \$8.00.

Festiva Maxima. White, crimson-flecked center. Early. Each, 50c; per doz., \$5.25.

Karl Rosenfield. 8-8 Semi-rose type. Tall compact grower, rich velvety crimson—midseason, one of the best reds. Each, 75c; per doz., \$8.00.

Gen'l McMahon. Brilliant red. Mid-season. Each, 75c; per doz., \$8.00.

Mme de Verneville. Pure white. Early. Each, 50c; per doz., \$5.25.

Mme. Ducl. Silvery-pink. Mid-season. Each, 50c; per doz., \$5.50.

Officinalis Rubra. Crimson, old-fashioned early red. Each, 90c.

Following is a list of unnamed sorts, which we are selling by color. All varieties in this list are of the best and are sure to please. 3 to 5-eye plants: Pink and White. Each, 40c; per doz., \$4.25. Red. Each, 50c; per doz., \$5.25.

Special Collection

PEONIES—Three special selected varieties, red, pink and white. 3 to 5-eye plants.

Postage paid, \$1.20

Following varieties of Peonies are a valuable addition to our list:

Baroness Schroeder. 9.0. The flower is of immense size, globular type. Guard petals white with soft baby-pink center, becoming pure white. Deliciously fragrant. Very good. Late midseason. Each, \$1.00; per doz., \$10.00.

Officinalis tenuifolia flora plena. Clear brilliant red; dwarf, finely-cut foliage, very early in bloom. Very scarce. Each \$2.00.

President Taft. 8.7. Lovely, delicate hydrangea-pink, enveloped in a halo of very fine white. Deliciously fragrant. One of the largest and finest ever introduced. Strong, straight, erect stems; flowers last; strong grower; good foliage. Double type. Mid-season. Each, \$1.00; per doz., \$10.00.

Sarah Bernhardt. 9.0. The ideal of refinement in Peonies; apple-blossom-pink with each petal silver tipped, as perfect a Peony as could be imagined. It possesses an agreeable fragrance; blooms mid-season to late. Should be in every collection. Double type. Each, \$1.35; per doz., \$13.50.

Venus. 8.3. Exceptionally tall, strong and upright growth. Large cupped guards and conical center with incurved notched petals of pale, old rose-pink with a decided lavender tone. Rose fragrance. Each, 75c; per doz., \$7.20.

PAPAYER ORIENTALE—Oriental Poppy

Oriental Poppies are the regal representatives of this popular genus, growing 3 to 3½ feet high, and far surpassing in splendor of bloom all the annual kinds, and for a gorgeous display of rich and brilliant coloring nothing equals them during their period of flowering in May and June.

Culture. Almost any kind of soil suits them, but they do best in deep, rich loam. Set the plants out in the fall or early spring before the first of May, 12 inches apart. Give them water occasionally during dry spells in the early part of the season. Mulch with any litter in the fall; and they will increase in size and floriferousness for several years. The proper planting season for field-grown roots of Poppies is during the last of August, September and October. In spring, strong plants are supplied in pots to insure success.

Papaver (*Poppy*)

Oriente Pink. Each, 50c; per doz., \$5.00.

Oriente Red. Each, 50c; per doz., \$5.00.

Oriente Mixed. Each, 25c; per doz., \$2.50.

PHLOX SUFFRUTICOSA—

Early Flowering Hardy Phlox

Miss Lingard. A very fine white variety, begins to flower after the middle of June and continues throughout the season. Largely, used for cut flowers. Each, 25c; per doz., \$2.50; per 100, \$17.00.

Hardy Phlox

The finest and most useful of the herbaceous plants. They succeed in almost any soil, or in any position, and flower throughout a long season.

- P. B. Comte.** Rich French purple, very brilliant.
P. Beacon. Bright cherry-red, one of the best reds.
P. Bridesmaid. White with large crimson center.
P. Champs Elysee. Rosy-magenta.
P. Coquelicot. Clear scarlet with crimson eye.
P. Daybreak. Pink.
P. Eclairer. Bright rosy-carmine with lighter halo.
P. Independence. White semi-dwarf.
P. Iris. Common wild Phlox, lavender in color.
P. M. Buchner. Pale lavender, strong grower.
P. Mme. Bezanson. Bright crimson.
P. Mrs. Chas. Dorr. Beautiful shade of lavender.
P. Pantheon. Bright carmine rose.
P. R. P. Struthers (Tall). Rosy cherry-red.
P. Thor. Salmon-pink. Medium growth.
P. Von Lassburg. Splendid pure white, very large flowers.
P. Widar. Bright reddish-violet, white eye.
 Each, 25c; per doz., \$2.50; per 100, \$17.00.
P. Salmon Queen (New). A beautiful clear salmon-pink. Rivals Elizabeth Campbell. Strong, hardy grower. Large flowers and trusses.
 Each, 35c; per doz., \$3.50; per 100, \$25.00.

Special Collection

HARDY PHLOX—Ten select plants, five varieties, our selection.

Postage paid, \$1.50

PHYSALIS FRANCHETI—(Chinese Lantern Plant)

An ornamental plant, forming dense bushes about 2 feet high, producing freely its bright orange-scarlet lantern-like fruits, which can be cut and dried for winter bouquets; highly interesting.

Each, 20c; per doz., \$2.00.

Platycodon (Balloon Flower or Japanese Bell Flower)

- P. grandiflorum.** White and blue.
P. japonica fl. pl. White and blue.
 Each, 25c; per doz., \$2.50.

SEDUM—Stone Crop

The dwarf or creeping varieties; are suitable for rock work, covering graves, dry sunny banks and carpet bedding.

- S. acre (Golden Moss).** Creeping, foliage and flowers bright yellow.
S. album (White Stonecrop). 3 inches. White flowers during July and August.
S. maximowiczii. Yellow, late blooming good foliage effect.
S. spectabilis (Pink Stonecrop). 1 to 1½ feet. August and September.
S. spectabile brilliant. A rich colored form of the preceding, being a bright amaranth red.
S. spurium coconium. Creeping, crimson flowers on red stems.
 Each, 20c; per doz., \$2.00; per 100, \$16.00.

STATICE—Great Sea Lavender

S. latifolia. A most valuable plant either for the border or rockery. Purplish minute flowers during July and August. Each, 25c; per doz., \$2.50.

SCALECIDE

—THE COMPLETE DORMANT SPRAY—

Insecticides and Fungicides

Known for many years as the most effective dormant spray for scale and many other pests. We have used it exclusively for twenty-eight years. Scalecide alone does all that any combination of dormant sprays can do. It controls scale of all kinds (fall or spring). It controls peach-leaf curl (fall). It controls aphids and pear thrips without nicotine (delayed dormant). It controls leaf roller and European red mite (delayed dormant), neither of which is controlled by lime-sulfur even with nicotine. It controls pear psylla (fall or early spring). It controls bud moth and case-bearer (fall or spring). It controls fire-blight and fungous cankers (fall or spring). In addition to all these things Scalecide invigorates trees.

One gallon of Scalecide makes enough spray to cover the same trees with equal thoroughness as $3\frac{1}{2}$ gallons of lime-sulfur. Use 1 gallon of Scalecide to 15 gallons of water, or 3 gallons to 50 gallons of water. Spray only on days when the temperature is above 40° . Scalecide is pleasant to use—it does not injure even the eyes.

SPECIAL REDUCED PRICES on barrel lots, for shipment prior to January 1st, 1932.

50-gallon returnable drums—

1 to 4 drums, at \$30.00, plus deposit on drum, \$3.00.

3 lbs.70	

Deposit on drums must be paid with invoice. Cash refund made when drum is returned, freight prepaid, to **B. G. Pratt Company, Hackensack, N. J.**, in good condition. Positively no drums accepted at New York office.

CAUTION

Conforming to the National Insecticide and Fungicide Act, our responsibility ceases when a partial quantity of Scalecide is dispensed from barrel or cans. We guarantee Scalecide only when purchased in original packages.

Proportions

For small quantities of spray solution, these figures will help you to get the proper mixture. Be accurate.

Material	Dilution Recommended
Scalecide	1 gal. to 15 gals. water
Sulfocide	1 gal. to 200 gals. water
Arsenate of Lead.....	3 lbs. to 200 gals. water
Kayso	3 lbs. to 200 gals. water
Soap (liquid)	3 lbs. to 200 gals. water
Nicotine Sulphate	2 lbs. to 200 gals. water

Amounts of Dilute Spray Required

These figures will be fairly accurate for both Scalecide as a dormant spray and Sulfocide as a summer spray.

2 to 5-year-old trees.....	$\frac{1}{8}$ to $\frac{1}{4}$ gal.
6 to 8-year-old trees.....	$\frac{3}{4}$ to 1 gal.
9 to 13-year-old trees.....	1 to $1\frac{3}{4}$ gals.
14 to 18-year-old trees.....	2 to $2\frac{1}{2}$ gals.
19 to 24-year-old trees.....	3 to $3\frac{1}{2}$ gals.
25 to 30-year-old trees.....	$3\frac{1}{2}$ to 4 gals.
